**PLAINTIFF'S ORIGINAL PETITION AND
INITIAL WRITTEN DISCOVERY REQUESTS**

Pursuant to the Texas Rules of Civil Procedure, Plaintiff, Bianca Tabarestani, files this Original Petition and Initial Written Discovery Requests, complaining of the acts and omissions of Defendants, UPC Insurance Company, Eric David Savener, and Valerie Riley and, in support, respectfully shows the Court as follows:

**I.
DISCOVERY CONTROL PLAN**

1. This case is intended to be governed by Discovery Level 2.

**II.
PARTIES & SERVICE**

2. Bianca Tabarestani ("Plaintiff") resides in Fort Bend County, Texas.
3. Defendant United Property & Casualty Insurance Company ("UPC") is, according to the Texas Department of Insurance, a domestic insurance company doing business in Texas that may be served with process through its Registered Agent, C T Corporation System, 1999 Bryan St Suite 900, Dallas TX 75201 -3136.

PLAINTIFF'S ORIGINAL PETITION AND
INITIAL WRITTEN DISCOVERY REQUESTS

4. Defendant, Eric David Savener ("Savener"), is an individual who assisted with adjusting the claim at issue and is a resident of the State of Texas. This Defendant may be served with process at [REDACTED] or wherever he may be found.

5. Defendant, Valerie Riley ("Riley"), is an individual who assisted with adjusting the claim at issue and is a resident of the State of Florida. This Defendant may be served with process by certified mail at Valerie Riley, [REDACTED] or wherever he may be found.

III. JURISDICTION & VENUE

6. This court has subject matter jurisdiction of this cause of action because it involves an amount in controversy in excess of the minimum jurisdictional limits of this Court. No diversity of citizenship exists in this matter.

7. Plaintiff prefers to have the jury determine the fair amount of compensation for Plaintiff's damages, it is early in the case to be assessing the full nature and scope of Plaintiff's damages, and Plaintiff places the decision regarding the amount of compensation to be awarded in the jury's hands. Rule 47 of the Texas Rule of Civil Procedure, however, *requires* Plaintiff to provide a statement regarding the amount of monetary relief sought. Accordingly, pursuant to Rule 47 of the Texas Rules of Civil Procedure, Plaintiff seeks monetary relief between \$100,000.00 and \$200,000.00.

8. Venue is proper in Fort Bend County, Texas because the insured property is situated in Fort Bend County, Texas and/or the contract was signed in Fort Bend County, Texas. Tex. Civ. Prac. & Rem. Code § 15.002.

**IV.
FACTS**

9. Plaintiff is a named insured under a property insurance policy (the "Policy") issued by UPC. The Policy insures, among other things, against losses from wind and hail damage to Plaintiff's property, namely, the real property and improvements located at [REDACTED] [REDACTED] (the "Property").

10. On or about May 25, 2015 during the policy period, a storm caused covered damage to the Subject Property. The damage include, but is not necessarily limited to, roof and dwelling.

11. Shortly after the storm, plaintiff noticed damage to her home. She contacted UPC by telephone to notify UPC of the damage.

12. Plaintiff submitted a claim to UPC against the Policy for all roof damage, structural damage, water damage, and wind damage the Property sustained as a result of the storm.

13. Plaintiff asked UPC to honor its contractual obligations and cover the cost of repairs to Plaintiff's home.

14. UPC assigned Defendant Savener and Riley to adjust the Claim. Defendants UPC, Savener, and Riley conducted a substandard investigation of Plaintiff's claim and failed to thoroughly investigate Plaintiff's losses. Savener and Riley spent an inadequate amount of time on the investigation. Savener spent no more than 30 minutes on the inspection of the damages and inspected only part of the roof.

15. Despite obvious visible wind damage and multiple indentations in the roof caused by hail, Savener, on his own behalf and on behalf of UPC, verbally misrepresented to the Plaintiff at the time of the inspection that the damage to her property was minor. Riley then repeated this misrepresentation, on her own behalf and on behalf of UPC in a letter to Plaintiff dated June 13, 2015 that Plaintiff's home had sustained minimal damage.

16. Together, Defendants UPC and Savener set out to deny properly covered damages by performing a results-oriented investigation of Plaintiff's claim, which resulted in a biased, unfair and inequitable evaluation of Plaintiff's losses on the Property.

17. Defendant UPC failed to perform its contractual obligation to adequately compensate Plaintiff under the terms of the Policy. All conditions precedent to recovery upon the Policy have been performed by Plaintiff. UPC'S conduct constitutes a breach of the insurance contract between UPC and Plaintiff.

18. Even though Plaintiff's home sustained obvious damages caused by a covered occurrence, Defendants misrepresented to Plaintiff that the Policy did not provide coverage for the damage, falsely claiming Plaintiff's home had not been damaged. Defendants' conduct is a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(1).

19. Defendants failed to make an attempt to settle Plaintiff's claim in a fair manner, although they were aware of their liability to Plaintiff under the Policy. Defendants' conduct is a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(2)(A).

20. Defendants refused to adequately compensate Plaintiff under the terms of the Policy even though they failed to conduct a reasonable investigation of the claim. This conduct violated the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(7).

21. Defendants failed to provide Plaintiff with a reasonable explanation for the denial of her claim. This conduct violated the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(3).

22. Defendant UPC failed to timely acknowledge Plaintiff's claim, begin an investigation of the claim, and request all information reasonably necessary to investigate Plaintiff's claim within the statutorily mandated time of receiving notice of the claim. This conduct violated the Texas Insurance Code, Prompt Payment of Claims. TEX. INS. CODE §542.055.

23. Defendant UPC failed to accept Plaintiff's full and entire claim within the statutorily mandated time of receiving all the necessary information. This conduct was a violation of the Texas Insurance Code, Prompt Payment of Claims. TEX. INS. CODE §542.056.

24. Defendant UPC has delayed payment of Plaintiff's claim longer than allowed, and, to date, Plaintiff has not received any payment for her claim. This conduct is a violation of the Texas Insurance Code, Prompt Payment of Claims. TEX. INS. CODE §542.058.

25. Since the time Plaintiff's claim was presented to Defendant UPC, the liability of UPC to pay the full claim in accordance with the terms of the Policy has been reasonably clear. Nevertheless, UPC has refused to pay, despite there being no basis on which a reasonable insurance company would have relied to deny the claim. This conduct is a violation of UPC'S duty of good faith and fair dealing.

26. All Defendants knowingly or recklessly made false representations, as described above, as to material facts. Alternatively, all Defendants knowingly concealed all or part of material information from Plaintiff.

27. To date, Plaintiff has yet to receive full payment for the damages to which Plaintiff is entitled under the Policy. Plaintiff has suffered damages as a result of the Defendants' actions described above. The mishandling of Plaintiff's claim also caused a delay in Plaintiff's ability to fully repair the Property, resulting in additional damages.

V.
CAUSES OF ACTION

A. Breach of Contract (Against UPC)

28. Defendant UPC had a contract of insurance with Plaintiff. Plaintiff met or performed all conditions precedent under the contract. UPC breached the terms of that contract by wrongfully denying the claim and Plaintiff was damaged thereby.

29. Defendant UPC is therefore liable to Plaintiff for breach of contract.

B. Prompt Payment of Claims Statute (Against UPC)

30. The Claim is a claim under an insurance policy with Defendant UPC, of which Plaintiff gave UPC proper notice, causing UPC to be liable for the Claim.

31. Defendant UPC violated the prompt payment of claims provisions of the Texas Insurance Code, namely, section 542.051 *et seq.*, by:

- a. Failing to acknowledge or investigate the claim or to request from Plaintiff all items, statements, and forms UPC reasonably believed would be required within the time constraints provided by Tex. Ins. Code § 542.055;
- b. Failing to notify Plaintiff in writing of its acceptance or rejecting of the Claim within the applicable time constraints provided by Tex. Ins. Code § 542.056; and/or
- c. Delaying payment of the Claim following UPC'S receipt of all items, statements, and forms reasonably requested and required, longer than the amount of time provided by Tex. Ins. Code § 542.058.

32. Defendant UPC is therefore liable to Plaintiff for damages. In addition to Plaintiff's claim for damages, Plaintiff is further entitled to 18% interest and attorneys' fees as set forth in section 542.060 of the Texas Insurance Code.

C. Unfair Settlement Practices/Bad Faith (Against All Defendants)

33. Each of the foregoing paragraphs is incorporated by reference in the following.

34. As explained further herein, Defendants violated Tex. Ins. Code § 541.060(a) by engaging in unfair settlement practices.

Defendant UPC

35. Defendant UPC engaged in unfair settlement practices by:

- a. misrepresenting to Plaintiff a material fact or policy provision relating to the coverage at issue;
- b. failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of a claim after UPC'S liability had become reasonably clear;
- c. failing to promptly provide Plaintiff with a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for the insurer's denial of a claim or offer of a compromise settlement of a claim;
- d. failing within a reasonable time to affirm or deny coverage of a claim to Plaintiff or submit a reservation of rights to Plaintiff; and
- e. refusing to pay the claim without conducting a reasonable investigation with respect to the claim.

36. Each of the aforementioned unfair settlement practices was committed knowingly by Defendant UPC and was a producing cause of Plaintiff's damages. UPC is therefore liable to Plaintiff for engaging in such unfair settlement practices and causing Plaintiff's damages.

Defendant Savener

37. Defendant Savener was a contractor and/or adjuster assigned by Defendant UPC to assist with adjusting the Claim. Defendant Savener was charged with completing a filed

inspection, investigating the Claim and communicated with Plaintiff about the Policy terms. Insurance adjusters are “persons engaged in the business of insurance” under Tex. Ins. Code 541.001, *et seq.*, and are individually liable for violations of the Texas Insurance Code. *See Liberty Mut. Ins. Co. v. Garrison Contractors, Inc.*, 966 S.W.2d 482, 486 (Tex. 1998).

38. Defendant Savener was tasked with the responsibility of conducting a thorough and reasonable investigation of Plaintiff’s Claim, including the discovery of covered damages and fully quantifying covered damages to Plaintiff’s Property.

39. Defendant Savener conducted a substandard, results-oriented inspection of the Subject Property. As such, Savener failed to discover covered damages and/or fully quantify covered damages to Plaintiff’s Property, as required by the Policy and Texas law.

40. Further, Defendant Savener misrepresented material facts to Plaintiff, that is, the existence and true value of Plaintiff’s covered losses. Additionally, Savener failed to provide Plaintiff with a reasonable explanation as to why UPC was not compensating Plaintiff for the covered losses, or the true value thereof.

41. Thus, Defendant Savener engaged in unfair settlement practices by:

- a. misrepresenting to Plaintiff a material fact or Policy provision relating to the coverage at issue;
- b. failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of a claim after UPC’S liability had become reasonably clear;
- c. failing to promptly provide Plaintiff with a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for UPC’S denial of a claim or offer of a compromise settlement of a claim; and/or
- d. failing to conduct a reasonable investigation of Plaintiff’s Claim.

42. Each of the aforementioned unfair settlement practices was committed knowingly by Defendant Savener and was a producing cause of Plaintiff's damages. Savener is therefore liable to Plaintiff for engaging in such unfair settlement practices and causing Plaintiff's damages.

Defendant Riley

43. Defendant Riley was a contractor and/or adjuster assigned by Defendant UPC to assist with adjusting the Claim. Defendant Riley was charged with investigating the Claim and communicated with Plaintiff about the Policy terms. Insurance adjusters are "persons engaged in the business of insurance" under Tex. Ins. Code 541.001, *et seq.*, and are individually liable for violations of the Texas Insurance Code. *See Liberty Mut. Ins. Co. v. Garrison Contractors, Inc.*, 966 S.W.2d 482, 486 (Tex. 1998).

44. Defendant Riley was tasked with the responsibility of conducting a thorough and reasonable investigation of Plaintiff's Claim, including the discovery of covered damages and fully quantifying covered damages to Plaintiff's Property.

45. Defendant Riley conducted a substandard, results-oriented investigation of the damages to the Subject Property. As such, Riley failed to discover covered damages and/or fully quantify covered damages to Plaintiff's Property, as required by the Policy and Texas law.

46. Further, Defendant Riley misrepresented material facts to Plaintiff, that is, the existence and true value of Plaintiff's covered losses. Additionally, Riley failed to provide Plaintiff with a reasonable explanation as to why UPC was not compensating Plaintiff for the covered losses, or the true value thereof.

47. Thus, Defendant Riley engaged in unfair settlement practices by:

- e. misrepresenting to Plaintiff a material fact or Policy provision relating to the coverage at issue;

- f. failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of a claim after UPC'S liability had become reasonably clear;
- g. failing to promptly provide Plaintiff with a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for UPC'S denial of a claim or offer of a compromise settlement of a claim; and/or
- h. failing to conduct a reasonable investigation of Plaintiff's Claim.

48. Each of the aforementioned unfair settlement practices was committed knowingly by Defendant Riley and was a producing cause of Plaintiff's damages. Riley is therefore liable to Plaintiff for engaging in such unfair settlement practices and causing Plaintiff's damages.

D. DTPA (Against All Defendants)

49. Each of the foregoing paragraphs is incorporated by reference here fully.

50. At all material times herein, Plaintiff was a "consumer" who purchased insurance products and services from Defendants, and the products and services form the basis of this action.

51. Defendants have violated the Texas Deceptive Trade Practices-Consumer Protection Act ("DTPA") in at least the following respects:

- a. Defendants represented the Policy confers or involves rights, remedies, or obligations which it does not have, or involve, or which are prohibited by law;
- b. Defendants represented goods, products, or services had sponsorship, approval, characteristics, uses, benefits, or quantities they do not have;
- c. Defendants failed to disclose information concerning goods or services which was known at the time of the transaction when such failure to disclose such information was intended to induce Plaintiff into a transaction Plaintiff would not have entered into had the information been disclosed;
- d. Defendants, by accepting insurance premiums but refusing without a reasonable basis to pay benefits due and owing, engaged in an unconscionable action or course of action prohibited by DTPA § 17.50(a)(1)(3) in that Defendants took

advantage of Plaintiff's lack of knowledge, ability, experience, and capacity to a grossly unfair degree, resulting in a gross disparity between the consideration paid in the transaction and the value received, all in violation of Chapter 541 of the Insurance Code;

- e. Generally engaging in unconscionable courses of action while handling the claim; and/or
- f. Violating the provisions of the Texas Insurance Code, as further described elsewhere herein.

52. As a result of Defendants' violations of the DTPA, Plaintiff suffered actual damages, and such violations were a producing, actual, and proximate cause of Plaintiff's damages. Therefore, Defendants are liable to Plaintiff for violations of the DTPA.

53. Further, Defendants knowingly and/or intentionally committed the acts complained of herein. As such, Plaintiff is entitled to exemplary and/or treble damages pursuant to the DTPA and Texas Insurance Code § 541.152(a)-(b).

E. Breach of Duty of Good Faith and Fair Dealing (Against UPC)

54. Defendant UPC breached the common law duty of good faith and fair dealing owed to Plaintiff by denying or delaying payment on the Claim when UPC knew or should have known liability was reasonably clear. UPC'S conduct proximately caused Plaintiff's damages.

55. Defendant UPC is therefore liable to Plaintiff.

F. Attorneys' Fees

56. Plaintiff engaged the undersigned attorney to prosecute this lawsuit against Defendants and agreed to pay reasonable attorneys' fees and expenses through trial and any appeal.

57. Plaintiff is entitled to reasonable and necessary attorneys' fees pursuant to Tex. Civ. Prac. & Rem. Code §§ 38.001–38.003 because Plaintiff is represented by an attorney, presented

the claim to Defendants, and Defendants did not tender the just amount owed before the expiration of the 30th day after the claim was presented.

58. Plaintiff is additionally or alternatively entitled to recover reasonable and necessary attorneys' fees pursuant to Tex. Bus. & Com. Code § 17.50(d).

59. Plaintiff is additionally or alternatively entitled to recover reasonable and necessary attorneys' fees pursuant to sections 541.152 and 542.060 of the Texas Insurance Code.

**VI.
CONDITIONS PRECEDENT**

60. All conditions precedent to Plaintiff's right to recover have been fully performed, or have been waived by Defendants.

**VII.
JURY TRIAL DEMAND**

61. Plaintiff demands a jury trial of this cause, and has or will tender the appropriate jury fee.

**VIII.
DISCOVERY REQUESTS**

62. Pursuant to Rule 194, all Defendants are requested to disclose, within fifty (50) days after service of this request, the information or material described in Rule 194.2(a)-(l).

63. All Defendants are also requested to respond to the attached discovery requests within fifty (50) days in accordance to the instructions contained therein.

**IX.
NOTICE OF INTENT TO USE DISCOVERY AT TRIAL**

64. Pursuant to Texas Rule of Civil Procedure 193.7, Plaintiff hereby gives notice of Plaintiff's intent to use all discovery instruments produced in this case at trial. Such discovery

instruments include, but are not limited to, all documents Defendants have or will produce in response to Plaintiff's written discovery requests.

**X.
CONCLUSION & PRAYER**

For these reasons, Plaintiff prays that citations be issued and, upon final hearing of the case, Plaintiff recover all damages from and against Defendants that may reasonably be established by a preponderance of the evidence, and Plaintiff be awarded attorneys' fees through trial and appeal, costs of court, pre-judgment interest, post-judgment interest, and such other and further relief, general or special, at law or in equity, to which Plaintiff may show himself to be justly entitled.
